“While we give NAIFA Members a solution to prevent identity theft, we know that it is still possible for it to happen. All solutions are not created equal. Ours is truly complete unlike other companies who claim to protect you while only placing a fraud alert and promising or guaranteeing protection. We want NAIFA Members to know that we have the tools in place to protect them as well as the coverage to help them should they be compromised.”

— Scott Stevenson, President and CEO,
Eliminate ID Theft

Eliminate ID Theft is a NAIFA Preferred Provider. For more information about NAIFA's Member Benefits and NAIFA's Preferred Provider Program, visit www.naifa.org/benefits/.
