THE NAIFA VIRTUAL LIBRARY

FINANCIAL SERVICES ONLINE IS PROUD TO BE A NAIFA STRATEGIC PARTNER AND SUPPORTER OF THE 2010 NAIFA CAREER CONFERENCE AND ANNUAL MEETING

The NAIFA Virtual Library is the single most comprehensive, user-friendly online resource tool for insurance and financial advisors, regardless of their practice specialty, distribution channel or career level.

- ▲ **FREE unlimited 24/7 access** to the extensive online library that includes fact finders, concept pages, business tips and tools, client presentations, tax information and specimen documents.
- ▲ **Powerful search and browse features** that make it easy to find resources most relevant to your career level or practice specialty.
- ▲ **A members-only landing page** that tells you how to apply the Library's tools and information.
- ▲ **Monthly tips, tools, fact finders, and quick links** to resources found in the Library that can lead you down the path of business success.
- ▲ **NAIFA Members also may purchase the NAIFA Virtual Assistant**, an optional upgrade, for the discounted price of \$17.95 per month, a 20% discount, with the first 30 days free.

“ The NAIFA Virtual Library gives you the ability—at the click of a mouse—to print concept pages on countless number of sales concepts. This allows you to quickly prepare a professional presentation that can be used with a client where computer access is unavailable or undesirable. You can use it just one time and immediately pay for your NAIFA membership in multiples. ”
