

# LILI Marks 10<sup>th</sup> Anniversary with Launch of LILI Alumni Online

**2009** marks a milestone for NAIFA's signature leadership development course – the Leadership in Life Institute (LILI). In 2000, the first classes were held in just two states – Texas and California. Since then, LILI has grown to include 45 states and 1,500 alumni.

LILI's success is visible in the leadership ranks of NAIFA as graduates fulfill their service commitment and help LILI meet its mission of developing high-quality leaders for the federation. On average, LILI leaders hold 1.5 leadership positions within NAIFA.

NAIFA President-Elect Tom Curry, CLU, ChFC, who was instrumental in the development of LILI, says the course has proved its value in many ways:

*"Our members have a positive experience in LILI and their NAIFA connection is improved because of it. LILI is a member benefit that will continue to make and remake NAIFA into a powerful financial industry voice."*

## LILI Alumni Online — Get Connected!

LILI's growth brings new opportunities for alumni. As part of NAIFA 21 initiatives, NAIFA Networks launched a new online networking site designed exclusively for graduates. This site gives alumni the opportunity to continue their journey and strengthen their bond with the LILI family.

Members can post their photo, participate in discussions, view videos and keep up to date on LILI events. There is no fee and it's easy to join. If you are a LILI graduate, get connected today!
