

Are healthcare issues adding to Holiday Headaches?

Health Proponent Can Help

The holiday season can become less festive if you are trying to find services for a loved one or are sorting through confusing medical bills.

Now you can get help to resolve these and other healthcare issues. Health Proponent, the nation's leading healthcare and assistance company, provides personalized help to untangle bills, find eldercare and more.

Give yourself and your family the gift of healthcare help. Health Proponent help with:

- **Clinical Support.** Find doctors; obtain second opinions; research treatments; schedule earliest appointments with specialists; find mental health services
- **Administrative Support.** Help untangle billing claims; negotiate provider charges; uncover billing mistakes; clearly explain health plan

- **Healthcare Coaching.** Prepare you for doctor visits; inform about medical tests; stress treatment options; clarify complex conditions and doctor's instructions
- **Information and Support.** Assist with eldercare; Medicare issues; arrange wellness services, research transportation...and more
