

Save on your prescription drugs today.

Welcome to the Rx Rollback Savings Program. This form entitles you to special negotiated pricing on prescription drugs at any Walmart, Sam's Club or Walmart Neighborhood Market pharmacy. On your next visit to one of our pharmacies, simply present this form. The pharmacy staff will then obtain the appropriate information from you. Keep this form with you. Should you use more than one of our pharmacy locations, you will need to present this form at each location the first time you use it.

It's easy to transfer your prescriptions and take advantage of these savings:

1. Call your local Walmart, Sam's Club, or Walmart Neighborhood Market pharmacy and provide the information located on your prescription container(s).
2. Visit your local Walmart, Sam's Club, or Walmart Neighborhood Market pharmacy and bring your prescription container(s). The pharmacist will take care of the rest.
3. Click to www.walmart.com, click on "Pharmacy," and then click on "Transfer." If you do not have an account on walmart.com you will need to register first.

Walmart Rx Rollback Savings Program

Facts about the Walmart Rx Rollback Program

- **Who is entitled to use the Walmart Rx Rollback Form?**
As a recipient of this form, you and any member of your household may use the prescription benefit.
- **What is the value of this program?**
As a recipient of Walmart RX Rollback Program you have access to preferred pricing each time you fill a prescription at a Walmart pharmacy.
- **What drugs are available for \$4?**
Your prescription may be available for just \$4 for a typical 30-day supply or \$10 for a 90-day supply.
- The \$4 Prescription Program has saved customers more than \$3 billion at our pharmacies.
- Walmart pharmacies also fill prescriptions for approximately 300 generic medications at \$10 for a 90-day supply, saving customers time and additional money. The offer is available in-store.
- Walmart and Neighborhood Market Pharmacies offer a \$4 Over-The-Counter (OTC) Program, bringing customers more than 1,000 OTC items priced at \$4 or less.
- A full prescription list is available at walmart.com/pharmacy.

Good at Walmart, Sam's Club and Walmart Neighborhood pharmacies only
