Falls Church, VA 22042

War Chest and IFAPAC contributions made to NAIFA's Congressional Council are not tax-deductible as a charitable contribution or as a business expense. Contributions to IFAPAC must be made separately from contributions made to the War Chest. The required \$500 annual contribution to the War Chest does not by itself satisfy the requirements for Congressional Council membership, as a \$2,500 annual IFAPAC contribution is also required.
